Creating the Living Portrait of YOU in
"Today's Economical Stretch"...

Experience the art of communication using mapping techniques to reframe and evolve your life. Find out how to achieve your own results through seeing, as if one picture can say a thousand words.

Astari will teach you to recode your minds' mind and body for today's world. She will unveil the skills that she calls "the sacred bread of new understanding for mapping and recoding your life."

Join Astari and find out how to rewrite the codes of your own matrix.

**Featuring Wine & Cheese Tasting by
Bennett's Restaurant**

Workshop Fee \$40.00
